

Dúlindgwend Petit Sac

Created using the Sock Loom from *The Knitting Board*, this pouch incorporates the lacy lattice stitch, which enhances its delicacy and style. I presented it to my granddaughter as a welcoming to womanhood gift and used the elfin words for “nightingale (*dúlind*), and for maiden (*gwend*) to name the pattern, in honor of her love for sci-fi fantasy, fairies and elves.

Skill Level: Beginner

Rmv - Remove

CO - Cast On

BO - Bind off

Special Techniques:

- φ **Half-Hitch Cast-On (HH CO):** Create slip-knot and place on peg not used in pattern. Create an e-wrap loop, with working yarn tail on bottom, place loop on first peg of row, ensuring loop is uniformly tight. Repeat process until all pegs called for in pattern are wrapped.

- φ **Half-Hitch Stitch (HH):** Create an e-wrap loop. With working yarn tail on top, bend e-wrap over and place loop on top st on last peg of row, ensuring loop is uniformly tight. Bring working yarn up and e-wrap pegs going back in opposite direction.

- φ **TWS (E-wrap):** Wrap working yarn around each peg forming a cursive letter “e” (ensure working yarn is to the inside of loom—behind pegs) – can be completed to the right or to the left, then knit off.
- φ **P3tog:** This is a double decrease worked over three pegs/sts. Move st from peg on left over to middle peg; move st from peg on right over to middle peg {middle peg now has three sts}. U-wrap working yarn below sts; purl three sts together.
- φ **K2tog:** This is a right slanting decrease worked over two pegs/sts. Move st on right to st hldr; move st on left to empty peg. Replace st from st hldr on original peg; K off
- φ **Sl (sk):** Pass the working yarn across the back of the designated peg.
- φ **PSSO:** Skip first st, knit or purl the next, remove st just made and place it on top of skipped peg, knit off.
- φ **YO:** E-wrap peg emptied from performing right or left-slanting decreases.
- φ **Drawstring Bind-Off (BO):** Thread yarn through eye of large blunt tip needle. Weave needle with yarn thru each loop on pegs, beginning with starting peg.
